

Exchange-Konto Einstellungen – Android (Version 4.0.4)

The screenshot shows the 'Exchange Server-Einstellungen' screen on an Android device. The status bar at the top displays the time as 14:03, along with icons for signal strength, battery, and network connectivity. The screen title is 'Exchange Server-Einstellungen'. The settings are as follows:

- Domain\ Benutzername:** akademie\mhoebart
- Passwort:** (masked with dots)
- Exchange Server:** webmail.akbild.ac.at
- Sichere Verbindung verwenden (SSL)
- Alle SSL-Zertifikate akzeptieren
- Client-Zertifikat verwenden

Below the checkboxes, there is a greyed-out button labeled 'Client-Zertifikat'. At the bottom of the screen, the label 'Mobilgeräte-ID' is visible.
